

# MUSIC EDUCATION SOLUTIONS

is proud to introduce

...a brand new online learning environment  
accessible to music teachers  
anywhere in the world.

-  Great value.
-  Easy payment options.
-  Interactive, flexible courses.
-  Suitable for all music educators.
-  Practical video & audio examples.
-  Learning that fits around your life.
-  Based on the latest research and pedagogy.
-  Content suitable for UK and international education systems.
-  Assessment and certificate from a leading UK teacher training company.

“ Our philosophy is simple – music education is important, and should be delivered well! All our courses have this common aim, to take educators from where they are now, and help them develop to their full potential ”
