

Jersey (CI) Music Conference – Opportunity to Exhibit
Thursday 28th September 2017, Radisson Blu, St Helier, Jersey

This event represents a unique opportunity to reach the Channel Islands Music Education market!

The Jersey (CI) Music Conference will be attended by:

- Subject leaders from all primary and secondary schools in Jersey
- Head Teachers from most primary & secondary schools in Jersey
- All Jersey Music Service staff
- Representatives from Guernsey Music Service
- Independent music tutors from across the Channel Islands
- Subject leaders from schools in Guernsey
- Jersey's Education Minister and Director of Education
- Local Channel Islands music retailers

You will be able to reach new customers who have not had the opportunity to experience your product or service first hand, and who are better funded than UK education customers! Music is a high priority for the States of Jersey (Jersey's government) and this event gives UK exhibitors a chance to benefit from the current focus on music across the Channel Islands.

Jersey is easy to reach by air and sea, with flights from airports across the UK and ferries from Southampton. There is no set breakdown time for the event to allow exhibitors maximum flexibility with return flight times.

The event is managed by Music Education Solutions® on behalf of Jersey Music Service. You will experience the usual level of service you receive at an MES event with the added bonus of a stunning seafront location, luxury accommodation, and (hopefully) plenty of sunshine!
